

**2009-2010 Verification Worksheet
Federal Student Aid Programs**

Your FAFSA application was selected for review in a process called verification. In this process NSU must compare information from your FAFSA with signed copies of you and your spouse's 2008 federal tax returns and W-2 statements. We must collect all this information before you can be awarded any type of Title IV aid. If there are differences between your application and the other documents you supply, additional information may be requested and corrections may need to be submitted. By signing this worksheet, you are giving the Office of Financial Aid permission to make any corrections needed to your FAFSA. Your financial aid **will not** be processed until this form has been completed, returned, and verified.
